The Directors

Brad W.E Read - Managing Director
Principal Building & Interior Designer
Sunshine Coast Office Manager

Brad Read is the Managing Director of BRD Group and holds an open class building design licence with the Queensland Building & Construction Commission (QBCC). Brad has completed 2 degrees in Architecture as well as completing a Business Management course with the Royal Australian Institute of Architects. He has worked in an Architectural office for 15 years, which he also managed for 8 years. Brad formed Brad Read Design Pty Ltd in 2000 which he operated for 8 years prior to forming BRD Group in 2008.

Brad is recognised with numerous design awards and has proven to be a very gifted and creative designer. His ability to interpret a client's brief and design buildings that are stunning to look at, practical and within a client's budget is what sets Brad apart from most other building designers in the industry.

Brenden J. Creed - Director
Principal Building Designer
Brisbane Office Manager Brenden J. Creed -

Brenden Creed is a Director of BRD Group and holds a medium rise building design licence with the Queensland Building & Construction Commission (QBCC). He is currently completing the Graduate Certificate in Building Design which will enable him to achieve an open building design license later in 2015.

Brenden has worked in Australia and in the United Kingdom in Architectural offices for 6 years, owned and operated his own building design and drafting business for a further 8 years before joining with Brad Read to form BRD Group in mid-2008.

Brenden is knowledgeable across all stages of project delivery including design, documentation and contract administration. He is experienced within a diverse selection of building design types including Master-planned Developments, Industrial and Distribution, Commercial, Retail, Hospitality and Residential projects.

Amberlie Collins - Director
Design Assistant/ Graduate Building Designer
Sunshine Coast Office - Director

Amberlie Collins has come on-board as a Director at BRD Group in 2015 and brings an abundant level of enthusiasm and energy to the company. Since joining BRD Group, Amberlie has proven to be an excellent team member, displaying initiative, drive and creativity. Amberlie has been involved across all design stages of small and large scale projects from briefing, client/consultant liaising to sketch design and construction documentation.

Amberlie assists in the developing of design concepts through research and monitoring of current trends. She also assists the Principal Designers with the development of designs from concept to completion.
