

PARKLANDS TAVERN

HOSPITALITY DESIGN

Meridan Plains, Queensland
2016

LOCATION
YEAR

Parklands Tavern is a modern complex servicing a growing neighbourhood on the Sunshine Coast.

The building form incorporates varying skillion roofs, a mixture of heavy and lightweight wall construction, and extensive landscaping.

The Tavern features an innovative sustainable garden and petting zoo, which has been structured within the external dining terrace.

Parklands Tavern was designed to be family orientated and to suit the coastal lifestyle through extensive outdoor dining.
