

THE POST OFFICE

HOSPITALITY DESIGN

Maroochydore, Sunshine Coast
2015

LOCATION
YEAR

The Post Office Bar & Restaurant adopts a simple layout emphasised with a vintage/industrial look, offering locals a cool place to eat and listen to live music.

The transformation of the once derelict commercial office space has brought a new energy to the bones of the building.

The use of authentic materials and finishes, many sourced locally, brings a considered design response with an appropriately matched level of comfort for patrons of the establishment.
