

CAPRICORN TAVERN AND MOTEL

HOSPITALITY DESIGN

LOCATION Yeppoon, Queensland
YEAR 2009

BRD Group was commissioned to design a 'family-style' tavern which was to cater for predominantly local residents, but also appeal to the tourists.

The building includes a sports bar, gaming room, lounge area, kitchen and bar areas, dining zones, and an outdoor terrace.

A large bottle shop was also included within the design, with an attached drive-thru facility.

The motel consists of 32 rooms with a Manager's unit on the first level, allowing for the car parking, administration, and guest recreational areas to be on the ground level.

The exterior of the tavern and motel have been designed with a vernacular style in harmony with the local seaside community.

The finishes consists of a contemporary style in presentation and have overall assisted the complex in establishing a strong local attendance.
