

JESSIE EVANS

Graphic Designer | Admin Officer

Jessie plays a dual role within our team at BRD Group, you could say she wears many hats. She joins the team with a Bachelor of Business and a Diploma in Graphic Design and design agency experience. Jessie is extremely passionate about creating visually appealing designs in a variety of formats from digital to print and beyond.

Jessie has been with BRD Group since 2018 and enjoys the collaborative environment and the open-door policy, where everyone is willing to invest in one another to support the growth within the team. The friendly environment and dedication to working together towards the same goals and the learning opportunities are a way for everyone to share their knowledge and is something that Jessie finds inspires her to engage and interact with other members of the team.

Throughout a normal business day Jessie could be preparing a visual project presentation, illustrating one of Brad's hand drawn design concepts, posting content to social media pages or even organising the office stationery orders. Her focus is to ensure the office runs smoothly and that BRD Group consistently impress with their design assets. Passionate about design, Jessie is inspired by the activity around her every day and is thankful for the opportunity to continue to hone her craft in such a creative environment.

After growing up jointly between Sydney and the Sunshine Coast, Jessie completed her entire schooling on the Coast and went on to study at QUT. On the weekends you will either find her running around with her partner and Cavoodle Teddy, visiting one of the many stunning wineries across the region with friends or even cooking up a storm in the kitchen and dreaming of one day exploring all greatest food and wine spots Italy has to offer. While her future is well and truly committed to BRD Group, Jessie can see herself one day retiring to a wine region where she can enjoy all her favourite things and possibly even own her own winery, where every sip will be that much more fulfilling.
