

THE METROPOLE HOTEL

HOSPITALITY DESIGN

LOCATION Townsville, Queensland
YEAR 2008

Built in 1886, The Metropole Hotel in Townsville has been carefully rebuilt behind the refurbished heritage façade.

Externally, the new building consists of a new balcony, roof, balustrading, lower roof, and streetscape structures that pay homage to the original design.

Internally, the ground floor includes a lounge/ tapas zone, dining room, kitchen/servery, lounge, bar, gaming room, amenities, and a sports bar.

The first floor consists of two function rooms, a large bar, smaller kitchen, amenities, and administration rooms.
