

BRENDEN CREED

Principal Building Designer
Loganholme Office Manager

Brenden joined the team as Director when the original business had grown itself into the BRD Group. Brenden's experience and wealth of knowledge spans across Australia and the UK, having worked in London for several years prior to returning to the Sunshine Coast and then finally settling in Brisbane. A decorated professional Brenden holds Building Design qualifications and an open class Building Design license with the QBCC. He is also a licensed Building Designer in Victoria through the VBA.

A strong advocate of the design industry, Brenden has been the Chair of Advocacy for Building Design Queensland for 5 years, becoming a Fellow of the organisation during this time. Brenden currently holds the National Chair for Advocacy for the Building Designers Association of Australia. He admits his role in these associations is to encourage, support and promote the profession of building design and to provide channels to educate and guide those who work within the industry. This ethos is certainly evident within his own team as the BRD Group staff are encouraged to seek ongoing professional development and supported as they continue a constant learning journey.

As a Director, Brenden finds his days revolve around managing staff and their workflow, client liaison, concept development and as a principal designer he is always working in the design space. A source of knowledge for his team, Brenden demonstrates unrivalled experience and skill in building design, documentation and design management. Having delivered countless award-winning designs, Brenden's experience spans across Master-planned Developments, Industrial, Commercial, Corporate Retail, Large Scale Shopping Centres, Hospitality, Aged Care, Childcare, Service Station, Fast Food Developments, Multi-Residential and Residential projects.

Away from the office, Brenden relishes spending time with his wife and two children. Born and bred on the Sunshine Coast, Brenden loves getting back to the beach and enjoys taking the family on camping holidays as often as they can. He is also in the final training stage of becoming a Scout Leader at Mount Cotton Scouts where both his kids attend. Scouting has been a great opportunity to spend time away from the office with his kids and participate in plenty of outdoor adventurous activities! When time permits, Brenden enjoys a game of golf or tennis as well as catching up with family & friends.
