

# CHANCELLORS TAVERN

HOSPITALITY DESIGN

Sippy Downs, Sunshine Coast  
2009

LOCATION  
YEAR

Chancellors at Sippy Downs is a contemporary tavern design with a successful mix of parapet walls, flat roofs and significant skillion roofs, which overall create a both internal and external features.

The combination of heavy and lightweight materials resulted in a building with flexible spaces, high ceilings, extensive natural lighting and a modern, enduring fit-out.
