

# DAYNE BATTISTIN

Graduate Designer

Dayne, a Graduate Designer at BRD Group since 2023, brings a diverse background to the Maroochydore office on the Sunshine Coast. His journey in the building industry began with a Cert 3 in Carpentry, leading to a decade-long tenure as a carpenter and lead hand. Furthering his expertise, Dayne spent two years as a civil draftsman and holds a Diploma in Building Design.

A typical day at BRD Group for Dayne involves close collaboration with coworkers to discuss time frames and priorities. He regularly engages with consultants to understand their specialties, participates in team meetings to track project progress, and dedicates time to drafting and detailing. His commitment extends to assisting the BRD team in meeting project deadlines, showcasing a multifaceted approach to his role.

Dayne finds great satisfaction working at BRD Group due to the supportive and encouraging atmosphere within the staff. The team's dedication to delivering their best work while fostering the growth of others is a key aspect of the positive and happy nature permeating throughout BRD Group. Dayne values the diverse range of projects undertaken at the company, highlighting the need for creative problem-solving on unique ventures.

Outside the office, Dayne's passion lies in water-related activities, including surfing, kite surfing, foiling, boating, and jet skiing. His downtime is spent with his partner, family, and friends, either relaxing or embarking on adventurous outings. Looking ahead, Dayne aspires to further excel as a draftsman and building designer. He also harbors a desire to revisit the Maldives for another surf trip, drawn to its spectacular water clarity and flawless surf conditions, and to embark on a ski trip to Japan.
