

# PARK AVENUE CENTRAL

## COMMERCIAL DESIGN

LOCATION      Rockhampton, Queensland  
YEAR          2017

Park Avenue Central is located adjacent to a hotel in Rockhampton in a fast-growing region of the town.

The building consists of an 800sqm supermarket, 350sqm of specialty tenancies, and a 75 place child care centre.

The completed design is a contemporary shopping village that includes a vibrant colour scheme that is very low in maintenance. The IGA supermarket and child care centre provide a good mix of uses on the site, with both complementing each other well.
