

GLENVIEW RESIDENCE

RESIDENTIAL DESIGN

LOCATION Glenview, Queensland
YEAR 2022

Glenview residence is a stunning acreage family home design located on the Sunshine Coast.

This large family home was designed to suit a young growing family with a large outdoor living area adjacent to the generous living area, separate bedroom area for the children and a designated area for guests.

This Hampton style residence showcases idyllic northern rural views from the main and outdoor living areas, with a terrific balance of traditional Hampton and modern materials featured throughout.
