YEAR

Heavy Automotive Trade Training Centre of Excellence - Mackay.

BRD Group were the proud designers of this purpose-built trade training centre for Central Queensland University in Mackay.

The new facility specialises in Heavy Automotive industry training apprentices for the local area.

The design was made up of, washdown zone, 3x work bays, hydraulics bay, engine storeroom and view room.

The end outcome provided CQU with a state-of-the-art Trade Training Centre
