

WARANA RESIDENCE

RESIDENTIAL DESIGN

LOCATION Warana, Sunshine Coast
YEAR 2020

Located within walking distance to the beach, this residential renovation project takes advantage of its prime coastal location.

The four bedroom house features a galley style kitchen with butlers pantry and modern finishes throughout, to overall present a simple yet striking façade.

Large stacking glass doors allow for a seamless transition between the living and outdoor terrace / pool area, making the most of the Sunshine Coast environment and lifestyle.
