

# BUDERIM DUPLEX

MULTI-RESIDENTIAL DESIGN

Buderim, Sunshine Coast  
2017

LOCATION  
YEAR

Buderim duplex consists of two stylish units, each with easy street access for both vehicular and pedestrian movements.

Both units boast spacious living areas across both levels, giving flexibility to the occupants.

The lower level allows for easy living for two individuals, with a master suite and living area.

The lower level also incorporates utility areas and a compact study area.

Flexible living areas for this duplex includes the internal spaces, an external deck, and internal courtyard, and a lower landscaped area.
