

SPRING LAKES RESORT

PUBLIC DESIGN

LOCATION Avoca, Queensland
YEAR 2021

Spring Lakes Resort is home to active residents who benefit from extensive community facilities which include a large community building, an outdoor pool, a hydro pool, a lawn bowls green, a men’s shed, van parking, outdoor recreation areas, and their own golf course.

The community building makes a bold statement with a resort style porte cochere, many multi-purpose rooms, a theatre, and extensive outdoor recreation areas.

The resident houses are spacious and are individually suited to provide individuality and privacy.

Spring Lakes Resort has quickly become a desirable location to move into.
